

# ST. PETER'S

EVANGELICAL LUTHERAN CHURCH

## Strong Foundation

St. Peter's Lutheran Church has been a pillar of the community since the cornerstone was first laid in 1880. Today, our doors are open almost every day of the week for services, committee meetings, choir rehearsals, concerts, educational opportunities, social ministry and outreach. We gratefully embrace the initiatives of our founders, humbly celebrate God's blessings throughout our journey, and eagerly welcome new opportunities of mission and ministry. Just as past generations have done, we look forward to the future and exploring the possibilities of a Mission Campaign. It is with our church's mission in mind, that we prayerfully journey into a Feasibility Study to gain our members' insights and input.

## Strong Future

By God's grace, St. Peter's Lutheran Church will continue to be a dynamic force in our busy community, while seeking to fulfill our vision to love God, love our neighbors, and help make disciples. To address this mission in an ever-changing world, your rostered and lay leaders anticipate a multi-year Mission Campaign that could eclipse a \$2-\$3 million threshold for missional needs. The content and scope of this proposed Campaign will become clear as God's Spirit creates a grateful and generous response from you our congregation members. We would like you to help us flesh out what this mission looks like in action. Your participation in our Feasibility Study will help ensure that our mission will be forged from the commitment to service embodied in our congregation. We ask you to prayerfully let us know how God is calling you to respond.

**"Building a  
Community  
of Faith by  
God's Grace."**

# WILL YOU HELP US REFINE OUR MISSION CAMPAIGN VISION?

## Loving God - *We have some needs for our worship life.*

-  Improve the audio-visual systems in traditional and contemporary worship settings.
-  Replace an aging HVAC (heating and cooling) system.

-  Repave a deteriorating parking lot.
-  What else do you see as essential parts of our faith lives?

## Loving Neighbor - *We have some needs for our community outreach.*

-  Enhance safety protocols in our building to ensure the safety of children and adults who use our facilities.
-  Create a mission endowment fund to support our neighbors in need, far and near.
-  Pay off approximately \$700,000 of 2005 capital debt to free more stewardship dollars for ministry projects.
-  What else do you see as essential parts of our benevolent outreach?

## Making Disciples - *We have some needs for the teaching and modeling of our faith.*

-  Enhance educational ministries by upgrading audio-visual equipment used in all Christian education classes, and broadening our experiential and digital presence in the community.
-  Support St. Peter's partner deaf congregation by upgrading visual technology in their worship and education areas.
-  Create welcoming gathering spaces, entrance, narthex and café through renewal projects.
-  What else do you see as essential parts of our educational and community-building ministries?
