

## ST. PETER'S MISSION CAMPAIGN

### VOTING RESULTS AND NEXT STEPS

On October 25<sup>th</sup> at 9am we gathered digitally for congregational meeting to vote on beginning the Mission Campaign. The meeting was attended by users on 159 devices, and 202 votes were cast following the meeting (as of 3:00pm on October 25th). Our quorum was 135 voting members. The votes broke down as follows:

- **88% in favor** (177 votes)
- **12% opposed** (25 votes)

In light of this, we will take the next few months to do several things:

1. Reconnect with families who expressed an interest in supporting the campaign with lead gifts,
2. Convene a campaign steering committee,
3. Develop campaign materials,
4. Solicit initial gifts, and
5. Prepare to formally kick off the campaign in January 2021.

Through all of these, we will stay aligned with the strategic planning process that is currently in development by our Strategic Planning Committee. Thank you for attending and casting your vote.

### BEFORE THE MEETING

In preparation for the meeting we invite you to be informed about the proposed mission campaign. Read **Pastor Craig Ross' letter from the October Herald Newsletter**. Scroll down on this page and take a look at the executive summary of the St. Peter's Feasibility Study. Our consultants from Kirby-Smith Associates reviewed the study during a March 31st webinar, which is also available below. Our Mission Campaign Committee has also put together the following Frequently Asked Questions.
